Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Friday 13 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Breezy and cool, with outbreaks of rain later on Saturday.

This Evening and Tonight:
Some sunny spells continuing into the evening with any remaining daytime showers in the north gradually easing. Overnight, staying largely dry with clear spells, but with a slight risk of a passing shower. Another breezy night. Minimum temperature 8 deg C (46 deg F).

Saturday:
A largely dry and bright start but with cloud building from the southwest through the morning. A cloudy afternoon follows, with some outbreaks of rain continuing into the evening. Maximum temperature 19 deg C (66 deg F).

Outlook for Sunday to Tuesday:
Cloudy on Sunday with outbreaks of showery rain, perhaps brighter later. Sunny spells and isolated showers on Monday. Mostly cloudy with light rain at times on Tuesday.
